Siege of Turtle Enclave is a turn based strategy war game with real time battles, it's set in a vibrant and inviting fantasy world where the last remnant of a nation of turtles seeks to reclaim their homeland from a horde of corrupt owls. Over the course of the game you will research technologies, build up your settlement, train armies, and fight your way across the map in an attempt to overthrow the enemy warlord in his keep. Along the way, you will find goodie huts, collect resources from the map, and discover and recruit powerful heroes to fight alongside your armies. Each play through will be different, as the campaign map is randomly generated at the start of each new game, adding to the game's replay value. Key features: ~ Fast paced real-time battles; featuring a 'dual rock-paper-scissors' mechanic. ~ Time as a dynamic resource; your workforce will determine how much you can do each turn. ~ Dozens of units; to command and to fight against. ~ Powerful Heroes and Villains; their presence inspires their troops and harms the opposition. ~ Random Maps; no two campaigns will be the same! ~ Magic; cast and defend against powerful spells on the campaign map. ~ Agriculture; crops offer powerful buffs to your troops during battle. ~ Research; learn new technologies to unlock new units, spells, and more. ~ Goodie Huts; hidden throughout the map, cleanse them of evil to reap their rewards! 30 py6 42 py6 17 py6 10 py6 This version of the game is release-ready, polished, and ready to deploy. We would like to introduce you to “The Lost”, a VR game for 4 players, which recently completed VR production in Korea. The Lost is a collaborative single-player VR game. You can play it by yourselves, or with your friends, aiming to clear the game. You can play the game by converting the two motion controllers to your body. “The Lost” has its own FPS VR perspective. As the situation changes, the game plays the role of the protagonist, in a battle to save the lost world. We are now planning to make more contents based on The Lost with support from the Korean developer KRS! Please look forward to “The Lost”, and we will keep you updated on our future contents! Feel free to let us know your opinions and suggestions with “The Lost” in VR. We will actively collaborate with you! Bugs: 1. Running If the VR tracking system has some problems, you may need to allow the Run button to be pressed during gameplay. 2. Unity / Steam You will need to go through the settings of Steam VR and set up the Oculus Rift. 3. Audio / Game Input You need to set up the audio settings in order to play The Lost in VR. The following configurations are provided: a. HD audio b. DTS audio c. Stereo audio d. 4 channel audio (Ipad / Gear VR) 4. Controller Support Treat the controllers used in VR as a gun. .19.2016 - Season 1, Episode 1.19.2016 "Get a room." "Right here." Eric has spent the last month forced on-and-off absence trying to make things right between Big and Junior. He must have made it, as we catch up with the boys as they've just gotten back in the room. They act like this has never happened before. That's all we have for you today! Tune in Tuesday morning at 8 am ET/5 am PT for another new episode of Urban!Katz &... Katz & Co. is a billiards and pool cue manufacturer located in Beverley Hills, California. Katz makes billiard cues, along with pool cue rails, bumpers, and billiard table accessories. History Founded in 1897, Katz & Co. is one of the oldest bars and billiard parlors in Los Angeles. Not long before the start of World War II, Katz & Co. billiard room owner, Pete Katz, turned his gas station into a pool hall and billiard room, after adding a pool table in 1938. The store was in Beverly Hills until 1969. After the war, the business started manufacturing pool table accessories, and by 1955 the business had two pools halls, one on Melrose Avenue and the other on Santa Monica Boulevard. By the 1960s, Pete and his brother Herman continued making billiard cues. It was sold to Herman Katz and Snyder Mayer in 1965, and the business remained on Melrose Avenue until 1980. In 1976 the company moved to Duarte where it was later bought out by Salon Enterprises Inc. in 1982, who brought in Ron Goldstein from shops such as Crocker Billiards, and renamed the business to Katze & Co. in 1983. In 1986 "Katz & Co. Billiards" sold 20,000 cues at its first US exhibitions. In 1991 Ron Goldstein and Jeanie Koch purchased the business. In 1992, Katz & Co. was chosen as the best billiards at the first Billiards Digest "Black Hat Championships" annual tournament. In 1998 Ray Katz & Sons was founded. In 2002 Ron Goldstein was made company president. In 2006 staff changed the business name to Katz & Co., which remains the brand name for Katz products. In 2015, Katz & Co. introduced its new logo in a new font. Additionally, the new logo was introduced as part
